

Help shape the future of consumer-driven health care

Sponsorship information

The Minnesota Health Care Consumer Association is an opportunity for patients to be heard in debates and discussions that determine the future of health care policy. It is an internet-based membership opportunity and there is no cost to join.

Members receive a free 3-page monthly newsletter about health care-related issues and may participate in monthly surveys. These surveys are developed in conjunction with leading health care professional and business groups. They provide access to non-biased feedback assisting the improvement of policies and quality of care.

MNHCCA offers outstanding sponsorship opportunities. Your support of this industry-leading initiative is recognized with banner advertising on the Web site and in the monthly newsletter. Listing on the links page and access to survey data are additional benefits.

Sponsorship cost:

- \$7500 12 months
- \$5000 6 months

Benefits include:

- Web site advertising
- Newsletter advertising
- Links page listing
- Access to survey data
- Participation in survey development
